Preface

This book details my research during the final year of my degree at the University of Bristol. Thank you to Professor Andrew Young for supervising and my project partner Jacob Taylor for his work.

This is a Quarto book.

To learn more about Quarto books visit <https://quarto.org/docs/books>.

1 Week 1

1.1 2026/09/21

Lab book set up and initialised as a Github page. Meeting with supervisor arranged for 2026/09/21. Plans/questions for meeting:

- Confirm that Quarto is valid for writing lab book
- Get connected to `solva`
- Confirm scope of project and form initial plan with Jacob
